

Question		<u>Quality of Work</u> - Accuracy, neatness, effectiveness, attention to detail. - Consider degree to which output is thorough and meets quality standards
Manager	Overall Performance Answer	Meets Expectations Jason demonstrates strong adaptability and sound judgment when faced with ambiguity. He effectively navigates complex situations, identifies priorities, and delivers results without losing focus—an essential capability for success in dynamic environments. Going forward, Jason can leverage this strength by taking a more active role in shaping clarity for others—communicating context, proposing structured approaches, and influencing decision-making to drive alignment across teams.
Question		<u>Job Knowledge</u> - Takes active interest to learn and understand job. - Understands job duties and responsibilities
Manager	Overall Performance Answer	Exceeds Expectations Jason has a strong focus on infrastructure automation and demonstrating a high aptitude for developing technical skills. Beyond his core responsibilities, he consistently exhibits enterprise thinking by exploring adjacent IT domains and gaining insight into BorgWarner’s broader business operations. This curiosity and commitment to continuous learning position him to deliver cross-functional impact and align his contributions with strategic organizational goals.
Question		<u>Productivity</u> - Consistency and timeliness. - Volume/amount accomplished in relation to individual growth and expanded experience and in relation to length of time on the job. - Consider volume of work as it relates to employee's required duties to meet standards.
Manager	Overall Performance Answer	Exceeds Expectations Much like his initiative, Jason has exceeded expectations in both the volume and quality of work delivered. He consistently produces results at scale without compromising standards, demonstrating efficiency and attention to detail that strengthen team performance. Jason has leveraged this strength by sharing best practices, mentoring peers, and contributing to process improvements—amplifying his

impact beyond individual tasks and helping elevate overall team capability.

Teamwork/Interpersonal Relations

- Extent to which the employee cooperates with and effectively influences with whom there is contact.
- Consider attitude toward co-workers.
- Is employee a "team player"?
- Is employee's impact strengthened- by ability to work cooperatively with others?

Manager

**Overall Performance
Answer**

Meets Expectations

Jason consistently demonstrates a positive attitude and strong collaboration skills. He is approachable, builds trust quickly, and strengthens a team-oriented culture. In the final two months of his internship, he proactively led cross-training for the incoming intern, ensuring continuity and positioning them for long-term success.

Question

Initiative

- Self-starter
- Resourceful
- Commitment to continuously improve self and surroundings.

Manager

**Overall Performance
Answer**

Exceeds Expectations

Jason consistently demonstrates strong ownership and a bias for action by proactively identifying and executing against unassigned automation opportunities in the backlog. His initiative accelerates delivery and delivers measurable value to the team. He also independently led cross-training for the incoming intern with minimal oversight, further highlighting his ability to take initiative and contribute beyond his defined role.

Question

Coordination/Cooperation

- Willingness to help others accomplish tasks.
- Follows supervisory instruction with ease

Manager

Overall Performance

Meets Expectations

Answer

Jason consistently demonstrates strong coordination and cooperation by actively supporting others and contributing to overall team success. He follows direction with professionalism while maintaining a positive, solutions-oriented mindset that strengthens a collaborative, high-performing environment. He has expanded this impact by proactively mentoring peers and onboarding new interns, further enhancing team capability and cohesion.

Question

Dependability/Reliability

- Dependability in meeting deadlines.
- Performs work with little to no supervision.
- Reliability in the execution of assigned tasks.
- Dependability in following instructions and amount of supervision required.

Manager

Overall Performance
Answer

Meets Expectations

Jason has proven to be highly dependable and self-directed. He requires minimal oversight, consistently honors commitments, and delivers on time, reinforcing trust and reliability within the team. Going forward, Jason can leverage this strength by taking ownership of more complex initiatives and mentoring peers on accountability practices, further amplifying team performance.

Question

Judgement/Decision Making

- Analyses problem skillfully.
- Uses logic and good judgment to reach solutions.
- Attempts problem before requesting assistance.

Manager

Overall Performance
Answer

Meets Expectations

Jason has demonstrated solid problem solving capability. He approaches challenges with independence—making a strong effort to resolve issues on his own before engaging others. This self-reliance reflects critical thinking and resourcefulness, qualities that accelerate learning and build confidence.

Question

Safety/Environmental/Housekeeping

- Evaluate employee's safety record relative to accident log.
- Regularly attentive to safety and health regulations.
- Follows all Company safety and environmental policies.

- Understanding and commitment of proper housekeeping.

Manager

**Overall Performance
Answer**

Meets Expectations

Jason effectively balances remote work and on-site responsibilities at the PTC while consistently demonstrating a strong commitment to safety and compliance. He adheres to all safety, environmental, and housekeeping guidelines, reinforcing our culture of responsibility and operational excellence.

Question
